

Honoring our history...

For over three centuries, Ste. Anne Basilica has been more than just a church—it has been our spiritual home. Founded in 1701, it remains the heart of our faith community, where generations have come together in prayer, celebration, and service. As we continue the legacy built by those who came before us, our parish family fills these sacred walls with devotion, tradition, and resilience. With 675 parish families and thousands of visitors each year, Ste. Anne is not just a place of worship—it is a place where our faith is lived and shared.

...and securing our future

As part of a groundbreaking new model, supported by the Vatican, Ste. Anne Basilica now has the resources needed to undergo a ~3-year restoration of the Basilica and the campus, in partnership with the Pulte Family Charitable Foundation's Catholic Initiative. We will preserve the historic beauty of Ste. Anne, while simultaneously ensuring its long-term sustainability. Beyond the renovation, this transformation will also strengthen the role of Ste. Anne as a center of faith, community, and service in Detroit. Through this partnership, we are committed to ensuring the Basilica remains a beacon of hope for generations to come.

1000 Sainte Anne St
Detroit, MI 48216
(313) 496-1701

CONSTRUCTION SCOPE

PLAZA AND OVERALL CAMPUS

- New outdoor pavilion

THE RESTORATION VISION

The restoration of the Basilica is at the heart of our efforts—ensuring its stained-glass sparkles, its architectural majesty endures, and its sacred beauty is preserved for generations to come. Alongside these aesthetic enhancements, we are addressing critical infrastructure needs to guarantee long-term sustainability. As we breathe new life into this historic site, we are also thoughtfully incorporating historical artifacts and sacred objects, honoring the Basilica's rich history while shaping its future. Beyond the Basilica itself, we are transforming Ste. Anne into a cohesive campus that fosters community and connection through a phased restoration. By creating inviting gathering spaces such as a community pavilion and surrounding plaza, we aim to establish a welcoming hub for reflection and engagement.

A FOUNDATION FOR GROWTH AND RENEWAL

To ensure the long-term vitality of Ste. Anne, the Catholic Initiative will establish an endowment dedicated to sustaining the Church's mission and operations. Thoughtfully invested, this fund will provide financial stability, reducing the need for constant fundraising while allowing leadership to focus on serving the community. The endowment will accelerate critical maintenance projects, support new ministries, and expand programs that enrich parish life. By securing the Church's future today, we ensure its ability to serve and inspire for years to come.

*“It’s more than
a building. It’s
what happens
in the
building.”*

STRENGTHENING A VIBRANT COMMUNITY HUB

Ste. Anne is dedicated to enriching the lives of its parishioners and surrounding neighbors, serving as both a spiritual and community anchor. In parallel with the restoration, parish leadership will work alongside the Catholic Initiative to strengthen existing services and build new Detroit partners to expand offerings.

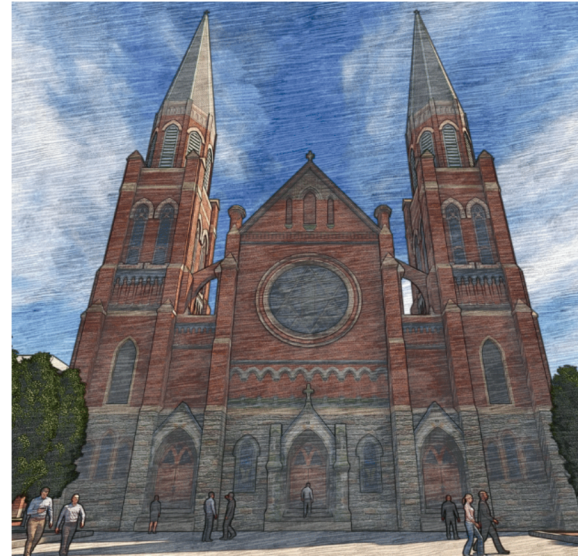

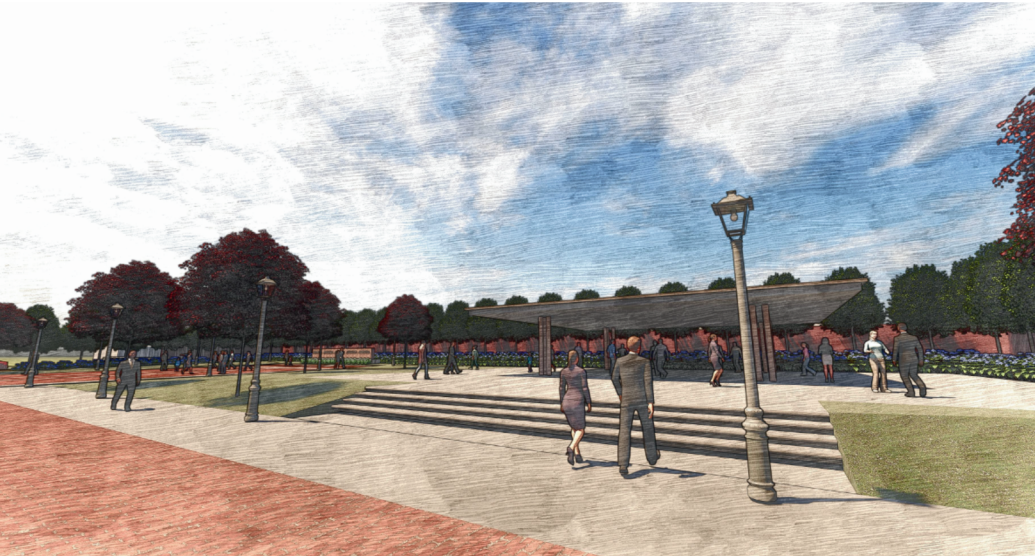

Example community hub services:

CARE FOR OTHERS
immigration counseling,
bereavement support
groups, IDD services,
offsite retreats

EDUCATION
financial literacy programs,
tax assistance, mentorship
& tutoring

CELEBRATIONS
holiday celebrations,
cultural festivals, and Ste.
Anne signature events like
Day of the Dead and
Novena

MUSIC & ARTS
youth and adult choir,
arts programs

A GROUNDBREAKING PARTNERSHIP

STE. ANNE & THE CATHOLIC INITIATIVE

The Catholic Initiative, founded by the Pulte Family Charitable Foundation, is an innovative, Vatican-approved model designed to restore and elevate churches, schools, and parishes, secure their long-term financial stability, and build stronger communities of faith. Under this model, Ste. Anne will transfer church property ownership to the Catholic Initiative, ensuring that the Ste. Anne community retains exclusive, permanent rights for 200 years through a 99-year renewable lease with an option for two 50-year renewable leases.

In addition to an investment from the Pulte Family Charitable Foundation, the Catholic Initiative will lead additional fundraising efforts to restore and renovate the basilica and its facilities while establishing a dedicated endowment for the Ste. Anne parish to ensure lasting sustainability. Ste. Anne will be the first partnership under this groundbreaking initiative, setting the standard for similar collaborations across the country. Parishioners of Ste. Anne can take pride in being part of a historic, first-of-its-kind effort to ensure the long-term vitality of their church and others in the future.
